

Future of legal skills in an era of better flexible data

Tuesday 13 February 2018 – 6.00 pm

This AI technology thing is really happening so who is going to do what?

Alex G Smith, Innovation Manager at Reed Smith will discuss what the future of legal skills are in an era of better flexible data covering topics and questions such as:

Are you ready for a code free future of creative information and knowledge?

Redefining roles and expertise - data scientists vs information specialists vs coding lawyers.

'So called AI experts" or revamping traditional skills.

Following the talk there will be an opportunity to network over some drinks and nibbles.
