Flipping the Classroom – a new approach to Trainee Training

Thursday 31st July 2014, 6:30pm

Tired of running the same old training sessions each September? Looking for a new and interactive way of presenting your Trainee Training? Then CLIG has the seminar for you!

Come and listen to Anneli Sarkanen and Jon Matthews from Fieldfisher talk about their experience of putting learning back in to the hands of trainees by using the concept of 'Flipping the Classroom' and a Virtual Learning Environment. They'll discuss the problems they encountered and the benefits they witnessed from this new approach to training.

This will be followed by networking drinks.
